

Key Stage 4 Edexcel A Geography *Controlled Assessment, 1day*

Students will have an opportunity to extend research and undertake fieldwork in an appropriate environment in order to prepare their portfolio to take forward to the high control 'write up' phase of their controlled assessment. The field work will be based on the pre-released titles from Edexcel A.

This day course will focus on the collection of data in the field and provide additional background research material for the creation of a portfolio.

COURSE CONTENT

The focus for the selected study will change annually to meet the requirements of the controlled assessment and to match OCR's set title.

CHOOSE ONE TOPIC FROM THE LIST BELOW TO PREPARE FOR THE CONTROLLED ASSESSMENT

The Natural Environment: Rivers

This enquiry meets the requirements of Topic 2 (River Landscapes) within Section A (The Physical World) in Unit 2 (The Natural Environment) as well as preparing students for the controlled assessment.

The Human Environment: Tourism This enquiry meets the requirements of Topic 6 (A Tourists World) within Unit 3 (The Human Environment) as well as preparing students for the controlled assessment.

The Human Environment: Urban In this enquiry students will research contemporary changes in an urban area, assess the impact of these changes and consider how they relate to wider processes of deindustrialisation and housing. During this session students will explore themes within Unit 3 (The Human Environment).

External Recognition of Quality

All our centres have either been awarded the Quality Badge by The Council for Learning Outside the Classroom, or are awaiting assessment. The badge is awarded to organisations that have demonstrated that they consistently deliver high quality teaching and learning experiences and manage risk effectively. This means that you will have to complete less paperwork when visiting our centres

"The controlled assessment grades from our current year 10 are brilliant. Over 80% of the students got A or A. Thank you so much for your hard work" Bromley High School*

Protecting fieldwork opportunities for everybody

Growing pressures on outdoor learning has led the FSC to take on an important role; championing the rights and opportunities for people of all ages to experience the environment at first hand.

The FSC has led in campaigns to reverse the continuing decline in fieldwork within secondary schools and to build opportunities for out-of-classroom learning.

As a registered charity, the FSC receives no statutory funding. It relies solely on fees charged for courses and membership. Therefore, by visiting an FSC Centre not only are you receiving a high quality educational experience for your students, you are also helping to protect fieldwork opportunities for everybody.
